

NAPLES TOURIST PORT

Marina Molo Luise - Italy

Latitude: 40° 49' 63N - Longitude: 14° 13' 53E

Its location in the middle of the Mediterranean, little more than a day's cruise from the Cotê d'Azur or Greece makes it an ideal place for cruisers and large yachts in this splendid part of the world. Among the wide variety of services on offer, suffice it to mention plenty of berths for boats up to # 110, water and electricity supplies, internet & telephones, duty free fuel and lubricating oil, electronic mechanical and woodwork repairs, painting and varnishing, spare parts, international medical assistance on board, express delivery, laundry service, arrangements for custom formalities, harbour master and frontier police, transport by limousine or minibus, train and air reservations and so on. The islands of Capri and Ischia, along with Sorrento and the Amalfi coast, are only 18 miles away. Little more than 30 minutes by car from the Luise moorings is Naples International Airport with non-stop flights to the main European cities: London, Paris, Brussels, Frankfurt, and Athens: Rome and Milan (with other international destinations) are only 50 minutes flying time.
